**2021 ANNUAL MEETING  
 ANNOUNCEMENT AND  
 CALL FOR PAPERS**

**President's Message**

After more than a year (and counting) in which people around the world and at home have faced hardship and unprecedented uncertainty related to COVID-19, we're looking optimistically toward a return to an in-person conference in 2021.

Rutgers University is proud to serve as the host of this year's meeting in New Brunswick, NJ, with support from AAG. The meeting will take place during the afternoon and evening of Friday, October 29th, and during morning and end after lunch on Saturday, October 30th. Abstracts are due October 10th.

In this issue, you'll find information on the student paper and poster competitions, regional geography bowl, and general call for papers, posters, and panels. As always, submissions are welcome on all aspects of our diverse discipline, but we are especially interested in submissions on race, racism, and the academy; the ongoing impacts of COVID-19, and the uneven effects of climate change.

We are also very excited to announce that this year's keynote will be given by Dr. Emily Yeh, AAG's incoming president for 2022. Her talk will focus on her research on environmental knowledge among Tibetan pastoralists and its relationship to Chinese environmental policy and ecological science.

If you have any questions or concerns about this year's meeting, please reach out to me. I look forward to seeing you in October.

Nate Gabriel, Rutgers University

Additional division information may be found on our website: [msaag.aag.org](http://msaag.aag.org)

## CALL FOR PAPERS

**The 2021 Middle States Division AAG Meeting will be held at Rutgers University  
on Friday October 29 and Saturday October 30**

Rutgers University extends a warm welcome to our campus in New Brunswick, NJ. The meeting will be held in the Rutgers University Inn & Conference Center on Cook Campus. (Note, this is a slight change of venue from that previously announced).

The 2021 meeting will consist of two days of paper and poster sessions. Friday will include paper and poster sessions, dinner, and Geography Bowl. On Saturday, a morning of sessions will be followed by a buffet luncheon, plenary, a brief Middle States Division business meeting, and student awards.

### CALL FOR PAPERS, POSTERS, PANELS

**Paper Sessions** are typically 60-80 minutes long and consist of three or four presentations of 20 minutes each. Papers on all topics of geographic nature are welcome. Concurrent paper sessions will be held on Friday, October 29 and Saturday, October 30. Consult competition guidelines under the Student Competition tab on the webpage for guidance. Each room is equipped with a computer, digital projector and screen.

**Poster Sessions** will be held on both Friday and Saturday. Poster dimensions must be at least 36 inches in height and 48 inches in width (36" h x 48" w) but cannot exceed 48" high and 60" wide. Consult competition guidelines under the Student Competition tab on the webpage for guidance. Poster mounting boards and easels will be available.

**Panel/Roundtable Sessions** are welcome. Panel discussion sessions typically consist of three to four panelists and are organized around a theme. Roundtable discussion sessions are 'open form' where the chair of the round table facilitates a discussion among all attendees focusing on a theme or issue. Students are welcome to organize both panel and roundtable sessions. A limited number of panels can be accommodated. If you are interested in organizing either a panel or a roundtable session, please contact **Nate Gabriel** at [nate.gabriel@rutgers.edu](mailto:nate.gabriel@rutgers.edu) before September 17.

### Submitting Abstracts

Abstracts for papers, posters, and panels must be submitted during the online registration process AND to [middlestatesmeeting2021@aag.org](mailto:middlestatesmeeting2021@aag.org)

The paper title and abstract should not exceed a total of 250 words. Compose your abstract in Microsoft Word, proofread and edit it, and copy-and-paste into the appropriate location during registration. Your submission will NOT be proofread or edited and will be published in the program as submitted. All abstract submissions for paper, posters, and panels are due by **October 10**.

### Registration and Abstract Submission

Conference registration is online this year at the AAG portal [MSAAG 2021 Registration](#). The AAG portal is under construction so registration and abstract submission will begin on September 1. MSAAG will send a reminder to all our membership once the abstract and registration AAG submission portal has opened.

Please check in at the lobby of the University Inn and Conference Center for the conference. Registration will start at 12 noon on Friday October 29th and 8 AM on Saturday October 30th. Participants who register for the conference by October 1 will receive an early bird discount.

## Middle States Geographer

The *Middle States Geographer* is the official academic journal of the Middle States Division of the American Association of Geographers. The journal is published annually and includes papers from external submissions and the division Annual Meeting. The *Middle States Geographer* contains papers authored by both faculty and students (with peer-review by at least two reviewers) and covers a wide range of topics. All Journal Volumes are freely available from the **website**. We invite all who present papers at the annual Fall MSAAG meetings to submit a manuscript for publication in the next issue of the *Middle States Geographer*, although manuscripts from all researchers are welcome year-round.

Paper submission guidelines are available on the region's website at: [msaag.aag.org](http://msaag.aag.org). You may also contact the editors: **Adam Kalkstein** at [Adam.Kalkstein@westpoint.edu](mailto:Adam.Kalkstein@westpoint.edu) or **Paul Marr** at Shippensburg University, [pgmarr@ship.edu](mailto:pgmarr@ship.edu) if you have questions about submitting a manuscript or if you are interested in serving as a reviewer. Students presenting papers should consider submitting their paper for publication in the journal (and faculty co-authors may be included after the student award competition has occurred). The *Middle States Geographer* is entirely an online journal. Articles from 1968 (Volume 8) through 2019 (Volume 52) may be viewed at the journal website. The 2020 issue (Volume 53) will be available soon. The online format of the journal widely increases accessibility to readers and exposure for authors, and color graphics are possible at no cost to authors.

## Call for Nominations for MSAAG Officers

Please consider joining the leadership of MSAAG. The Executive Board has two meetings a year, one a conference call in the spring and one at the annual fall meeting. We are soliciting nominations for Secretary and Vice President. The Secretary serves a one-year term beginning January 2022. The Secretary takes minutes at division meetings, and organizes and judges the student paper competition at the fall meeting. The Secretary may run for Vice President the following year. The Vice President position is a three-year commitment. After serving as Vice President, the person assumes the role of President and then past President, serving a total of three years to maintain organizational continuity. The Vice President organizes the Geography Bowl competition at the fall meeting. Please consider this exciting opportunity! Voting will take place online in September 2021. The newly elected positions will be announced at the Fall 2021 Meeting. Please submit nominations to Past President **Jase Bernhardt** [Jase.E.Bernhardt@hofstra.edu](mailto:Jase.E.Bernhardt@hofstra.edu) by September 20.

The Executive Board will provide all the guidance and resources you need to be successful. Please consider these rewarding opportunities. You may contact or **Nate Gabriel** at [nate.gabriel@rutgers.edu](mailto:nate.gabriel@rutgers.edu) any current board member for additional information.
