Fall 2019 Meeting
HOST Kutztown University
Kutztown, PA

October 18-19, 2019
Abstracts due by September 27, 2019

President's Message

It was a pleasure meeting many of you at Montclair State in fall 2018 and seeing so many presentations that highlight the important research of our Middle States members. Kutztown University is honored to host this year's 2019 Middle States AAG meeting. Kutztown hosted the 2007 Middle States AAG meeting, but it took place off-campus in Reading. We are excited to showcase our campus for the 2019 meeting.

Kutztown University is located in rural Berks County between the cities of Reading and Allentown. Founded in 1866 as a Keystone Normal School, it is a public university with a vibrant undergraduate program. Kutztown's Geography Department offers a BA degree in Geography with four different tracks: General, Environmental, Globalization and Planning. The Department also offers a Geography minor in Environmental, General or Planning as well as a BS in Environmental Science in a consortium with other campus physical science departments.

The Annual Meeting will be held in the Boehm Science Building and the McFarland Student Union. Conference discount priced lodging is available at the newly constructed Hampton Inn, a short drive from Kutztown University or at the Holiday inn at Breinigsville on I78. We hope to see you at Kutztown University this fall!

Middle States Geographer

The *Middle States Geographer* is the official academic journal of the Middle States Division of the American Association of Geographers. The journal is published annually and includes papers from external submissions and the division Annual Meeting. The *Middle States Geographer* contains papers authored by both faculty and students (with peer-review by at least two reviewers) and covers a wide range of topics. All Journal Volumes are freely available from the website. We invite all who present papers at the upcoming Fall 2019 MSDAAG meeting to submit a manuscript for publication in the next issue of the *Middle States Geographer*, although manuscripts from all researchers are welcome.

Paper submission guidelines are available at <https://msaag.aag.org/middle-states-geographer/>

You may also contact the editors: Adam Kalkstein at the USMA West Point, Adam.Kalstein@usma.edu or Paul Marr at Shippensburg University, pgmarr@ship.edu if you have questions about submitting a manuscript or if you are interested in serving as a reviewer. Students presenting papers (faculty co-authors may be included after the student award competition has occurred) should consider submitting their paper for publication in the journal. The *Middle States Geographer* is entirely an online journal. The online format of the journal widely increases accessibility to readers and exposure for authors, while reducing printing costs. Furthermore, color graphics are available at no cost to authors.

Call for Nominations for MSAAG Officer

Please consider joining the leadership of MSAAG. We are currently soliciting nominations for **Secretary** position to serve a one-year term. The term runs from 1 January 2020 – 31 December 2020.

The Secretary organizes and judges the student paper and poster competitions at the fall meeting; keeps minutes of all official meetings of the Division including those of the Executive Board; and conducts other Division correspondence as required. The Board has two meetings a year, one is a spring conference call and the other at the annual fall meeting. The Secretary can run the following year for Vice President. The Vice President serves for a year and then the next year becomes the President. Voting will take place online in early October 2019. The newly elected position will be announced at the Fall 2019 Meeting.

Please submit nominations to Past President **Pankaj Lal** at lalp@montclair.edu by September 18. Please consider this rewarding opportunity. You may contact **Michael Davis** at MiDavis@kutztown.edu or any current board member for additional information.
